

Healthy Fundraising USA™

Is proud to offer another quality Healthy Fundraising program
Skin Protection and Sun Tanning Lotions
 All bottles \$5.00 each

native tan.

The "Original Step-By-Step" to the best tan. Each product has been scientifically formulated to give you the fastest, safest, longest lasting tan possible. This is a tanning program, not just a tanning product. You feel comfortable knowing you are following in the footsteps of 32,000,000 satisfied customers who have used our products since 1967

PROTECTION 15

Suntan Lotion for people who burn easily. Maximum Protection while allowing a safe tan. Promote tanning . . . Prevent burning. Great for the Baby and Dad. UVA/UVB Block Waterproof.

SUNTAN LOTION

Contains a sunscreen while moisturizing your skin to give the customer an **even and healthy** base tan. Suntan Lotion should be applied frequently during exposure periods for best results. The key to suntanning is to keep your skin moisturized at all times, especially during daytime outdoor exposure. SPF-4.

REGULAR OIL

Our number one (1) seller. Regular Oil is a suntan oil with a sunscreen. Native Tan Regular Oil is the **first step to developing the dark tan after acquiring a base tan.**

MAX 30

For the folks that burn easier than most. That extra protection of a SPF30 combined with our fine skin conditioners. UVA/UVB Block Waterproof.

ALOE LOTIONS

With Vitamin E. A superb year 'round skin conditioner. Contains nature's own precious ingredient: Aloe Gel, with Cocoa Butter and Lanolin. Helps replace the natural oils lost from exposure to sun, wind, water, and of course, aging. Use frequently after your shower. Helps prevent peeling and holds your suntan weeks longer . . . **Gives Your Skin The Radiant Look Of Youth.**

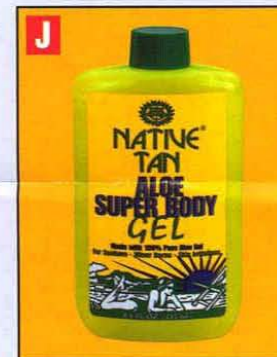

BABY CARE 25

Maximum protection for the entire family, and especially for baby. Waterproof. 6 oz. for the price others charge for 4 oz. UVA/UVB Block Waterproof.

TRIPLE PROTECTION 45

Maximum protection for those who want almost total block, combined with our fine skin care formula. UVA/UVB Block Waterproof.

SUPER BODY GEL

Contains 100% pure Aloe in a skin conditioner. A natural medication and skin moisturizer. Helpful in the relief of sunburn and minor burns and skin irritations. Promotes healing. Great for rough and chapped skin. Keep one in the medicine cabinet and one in your cosmetic supply.

ROYAL OIL

A true favorite among tanning enthusiasts who have a suntan but really want to get darker. **Has no sunscreen. You must be tan to use this oil.** Contains skin moisturizers with specific ingredients to enhance both sun magnification and additional moisturizers for your skin. **Extra strong** oil; not for everyone's use.

ALOE AFTER SUN

Holds your tan weeks longer, contains a combination of nature's finest oils to retain tan and keep your skin soft and moist. Use after shower to replace moisture lost to sunbathing.

THERMONUCLEAR OIL

For those who must have the darkest tan. For the wild and crazy go for broke tan. No sunscreen. **Remember, for that radiating glow - Go ThermoNuclear. You must be tan to use this oil.**

KIDS KARE SPF 30

A water resistant lotion that provides you with 30 times your normal sunburn protection. For use on children 6 months or older. UVA, UVB rated. Kids Kare is strong and long protection for active youngsters.

BABY CARE SPF 45

For those who are very fair. A combination of 6 balanced sunscreens that provide maximum protection. UVA, UVB rated. For use on children 6 months or older.

SUPER DARK SPF 6

A dark tanning lotion that gives you 6 times your normal sunburn protection. Contains aloe, cocoa butter and coconut oil.
